

ULTRA PNEUMATIC

The MITL ULTRA is a premium service tire designed to operate in the most demanding applications. Engineered with a heavy duty construction to resist abrasions, punctures and impacts. The wide, flat tread profile provides excellent stability in forklift applications.

FEATURES

- Wide, flat tread design provides excellent stability.
- Solid center for long wear.
- Open deep shoulders for traction in off-road applications.
- Abrasion resistant compound for wear on hard surfaces.
